

SWSD FACILITIES REDUCTION DISCUSSION PAPER

Students verses square footage requirements are based on Washington State new construction guide lines, 120 sqf for High School, 110 sqf for Middle School and 80 sqf for Primary and Intermediate School. The enrollment projections for SWSD were prepared by Dan Poolman.

1. The total of 240,200 sqf for the HS, MS and BV will support 2,192 students.
2. The total of 291,097 sqf for the HS, MS, IS and BV will support 2,828 students.
3. The total of 236,200 sqf for the HS and MS will support 2,156 students.
4. The total of 240,218 sqf for the HS, IS, PS, and BV will support 2,505 students.
5. The total of 196,595 sqf for the HS, IS and BV will support 1,960 students.
