Welcome from the Superintendent

Dear Families,

Thank you for entrusting us with your children. In South Whidbey, we are committed to our vision to ensure that every student is a lifelong learner able to meet life’s challenges.

Your partnership in this process is essential. We are committed to our goal that all of our graduates leave us career, college and culturally ready. We have well trained, highly skilled staff to work with your children. We also need your support, willingness to communicate with us and commitment to the success of your children to make this goal possible.

We hope this handbook is helpful. Please let us know if you have any questions, comments, or recommendations.

We are all working to make this school year successful.

Thanks for all you do.

Sincerely,

Jo Moccia

Registering for School

Five community members, elected by registered voters, make up the South Whidbey School Board of Directors. The School Board has governance responsibilities in vision, structure, accountability and advocacy. The Board believes that effective public school education must be directed toward common needs of all children, but must also consider the unique differences and needs of individual children. Although it provides overall governance of the district, the Board employs and empowers a professional staff of administrators led by the superintendent to carry out the district’s daily operations and pursue goals. See our board website for more information.

The South Whidbey School Board of Directors sets policy for the district. Policies are periodically reviewed and updated and new policies are developed as needed. All District Policies can be found on Board Docs, then go to Policies. Paper copies of the policies can be requested from the District Office by calling (360) 221-6100.

School Board Meetings - Annual Board Calendar is available on Board Docs

The South Whidbey School District Board usually meets twice monthly unless otherwise stated. The monthly Board workshop is held on the second Wednesday of each month at 6:30pm in the South Whidbey Elementary School North Campus Community Room. The Board Workshop is generally used for more detailed discussion of issues, policies, board business, building reports, staff presentations, etc., requiring more time than would be possible at the regular business meeting. A Special Business agenda may be held before a Workshop if action needs to be taken. The regular Board Meeting is typically held on the fourth Wednesday of each month at 6:30pm. These meetings are used for board communications, business and administration.

Public participation is an integral part of successful schools. Meeting agendas are prepared by the board chair and superintendent and are available on Board Docs prior to the meetings. The community is encouraged to attend.

Registering for School

Children attending kindergarten for the first time must be five years old on or before August 31st. We offer tuition free, full-time kindergarten.

Grades K-6 can register at the North or South Whidbey Elementary Campus. Grades 7-12 can register at the South Whidbey Secondary Campus (also known as the South Whidbey High School). All registration forms can be found on our website at www.wednet.edu by clicking Registration on the top right corner. Paper forms can be found at each campus and at the District Office.

Please bring:
- Verification of child’s birth
- Proof of residence (such as a utility bill or lease agreement)
- Up-to-date immunization records
- Emergency names and telephone numbers
- Address of prior school for requesting records
- Completed registration forms
- For grades 10-12, a copy of prior school transcript

For more information, please contact the school registrar.

Choice Transfer Requests:

You can apply to have your child attend a school other than the one he or she would normally attend. Approval depends on space and capacity in the school, program and classroom as well as the student’s behavior or attendance while at his or her last school. Transfers require that the family provide transportation to and from school. Students must annually renew choice transfer requests.

Please complete a Choice Transfer Request via the Online Portal (https://eds.ospi.k12.wa.us/ChoiceTransferRequest) prior to
SOLUTIONS - How to solve an issue at SWSD....

South Whidbey School District adheres to the chain of command philosophy for resolving conflicts. Issues need to be brought to each level in order. If an agreed upon resolution is not found at the first level, the issue may be brought to the next level. If you'd prefer to make an anonymous safety report, you can do so on our website - Go to www.sw.wednet.edu, choose "Students" then "Safe Schools Alert System".

1st: TEACHERS

If you have an issue, please start with speaking to your teacher. The best method is to email the teacher. All staff emails are available on our staff directory. Go to www.sw.wednet.edu -> Staff -> All SWSD Staff Directory type in the name of the staff member you need and click on the link to their email.

2nd: PRINCIPAL

If your student's teacher cannot solve the issue, then email your building principal. You can make an appointment to meet with your principal through the building secretary.

3rd: PROGRAM DIRECTORS

After you have contacted the teacher, and the principal, you may be referred to the program director (facilities, transportation, special education, communication etc)

4th: SUPERINTENDENT

If, after trying to resolve the issue through the chain of command, you are not satisfied you may contact the superintendent jmoccia@sw.wednet.edu

SAFETY ISSUES:

Please report any safety concerns on Safe Schools Alert System (Anonymous Reporting Enabled)
Attendance and Absences

- Policy 3122

Daily, on-time attendance is essential for success in school. State law requires that all juveniles between eight years old and 18 years old attend school. The parent must notify the school as soon as possible when their child will be absent from school. Within 48 hours of returning to class, the parent/guardian is responsible for informing the school and explaining the reason for the absence. Please Call:

Grades K-4 Attendance Line: (360)221-0637

Grades 5&6/ SWA K-6

Attendance Line: (360)221-0638

Grades 7-12 Attendance Line: (360) 221-0937

SWA 9-12 Attendance Line: (360) 221-7879

EXCUSED ABSENCES, where teachers are required to provide makeup work, are determined by Board Policy 3122 and include:

Illness, Health Conditions
Medical/Dental Appointment
Family Emergency
School Approved Activities
Court dates/appointments
Religious Observances
School Disciplinary Actions

UNEXCUSED ABSENCES are those authorized by the parent/guardian but not recognized by the school district as a valid reason for missing class (Family Vacations).

Teachers may provide makeup work.

PLEASE KEEP YOUR CONTACT INFORMATION CURRENT WITH YOUR SCHOOL OFFICE.

Truancy

Truancy is an absence without a valid justification from a parent/guardian or from a school staff member. Teachers are not required to provide makeup work for truancy absences.

Under the state law, RCW 28A.225.030, schools are required to begin a truancy petition process, commonly known as a BECCA process, when a student has five (5) unexcused truant full day absences in one month, or 10 full day absences during a school year. The school must file a petition with the juvenile court asking that the court order the student to attend school. The juvenile court process may include meetings with the Community Truancy Board. For more information, call your child’s school.

Releasing Students

Students will not be released from school grounds, any school building or school function during school hours except by an authorized person, according to district procedures. Before a student is released or excused, the person seeking to remove the student must present proof/evidence of authority to do so according to the principal’s satisfaction. Exceptions will be made when protective custody is dictated by appropriate legal authorities and in specific legal circumstances, according to Washington state law RCW 28A.605.010.

Emergency Closure

Information

Severe weather or other emergencies may cause changes to the school day. When this happens, schools may need to close, start late or dismiss early. Plan in advance for such emergencies.

Please ensure that your child’s school has your family’s current emergency contact information.

We understand that decisions about school schedules and bus route changes have an impact on our families. We appreciate your patience during these situations. While we know that our students and families are best served when we are open, our main concern is the safety of our students and staff. Typically, decisions regarding schedule changes are made in the early morning before school. This allows for the most current weather information to factor into the decision. This information is posted immediately, generally by 6:30 a.m.

When it is necessary to close school due to extreme weather conditions or other unusual circumstances, the South Whidbey School District will send out a Robo Text/Email/Call to alert you to the change in school plans (Late Start/Closure/Early Release/Lock Down). Additionally the websites will announce the changes on the home page.

Please take time in advance to confirm you will receive robo notifications by confirming your contact information with your office secretary.

PLEASE DO NOT CALL THE SCHOOL OFFICE TO CHECK FOR CLOSURES. CHECK THE WEBSITE.

Enter the attendance numbers in your cell phone for quick calling & caller ID recognition.

PROPER CHECK IN/OUT: Students must check out at the main office before leaving campus. If a student is coming to school late, they must check in through the main office. Failure to check in/out at the main office may result in Truancy.
STUDENT SAFETY
A critical ingredient in the safe school recipe is the classroom response to an incident at school. Weather events, fires, accidents, intruders and other threats to student safety are scenarios that are planned and trained for by students, teachers, staff and administration.

SRP
Our school is expanding the safety program to include the Standard Response Protocol - Extended (SRPx). The SRPx is based on these five actions: Lockout, Lockdown, Evacuate, Shelter and Hold. In the event of an emergency, the action and appropriate direction will be called on the PA.

LOCKOUT - “Get Inside. Lock Outside Doors”
LOCKDOWN - “Locks, Lights, Out of Sight”
EVACUATE - “To the Announced Location”
SHELTER - “For a Hazard Using a Safety Strategy”

TRAINING
Please take a moment to review these actions. Students and staff will be trained and the school will drill these actions over the course of the school year. More information can be found at http://iloveuguys.org

LOCKOUT
GET INSIDE. LOCK OUTSIDE DOORS
Lockout is called when there is a threat or hazard outside of the school building.

STUDENTS:
- Return to inside of building
- Do business as usual

TEACHERS:
- Recover students and staff from outside building
- Increased situational awareness
- Do business as usual
- Take roll, account for students

SHELTER
FOR A HAZARD USING SAFETY STRATEGY
Shelter is called when the need for personal protection is necessary.

SAMPLE HAZARDS:
- Tornado
- Hazmat

SAMPLE SAFETY STRATEGIES:
- Evacuate to shelter area
- Seal the room

STUDENTS:
- Appropriate hazards and safety strategies
- Take roll, account for students

TEACHERS:
- Appropriate hazards and safety strategies
- Take roll, account for students

EVACUATE TO A LOCATION
Evacuate is called to move students and staff from one location to another.

STUDENTS:
- Bring your phone
- Leave your stuff behind
- Form a single file line
- Show your hands
- Be prepared for alternatives during response

TEACHERS:
- Grab roll sheet if possible
- Lead students to Evacuation Location
- Take roll, account for students

HOLD IN YOUR CLASSROOM
Hold is called when the hallways need to be kept clear, even during class changes.

STUDENTS:
- Remain in your classroom
- Do business as usual

TEACHERS:
- Recover students and staff from hallways
- Close and lock classroom door
- Take roll, account for students
Your Child’s Health and Safety

Health Information—Policy 3410

The health information you provide at registration and throughout the year is shared with staff, as necessary, to benefit the health and safety of your child and others. The Student Health History form is an important component of the registration process for all students, and updates are essential when there are any changes. Any child with a life threatening condition must have an emergency care plan, healthcare provider orders, and all necessary supplies provided prior to attending school. Each school is equipped with a health room, staffed by a school nurse or health assistant, to help manage and respond to student health needs during school hours. Please notify the school nurse or health assistant of any changes to your child’s health status throughout the school year, and keep your emergency contact phone numbers updated with the front office staff.

Emergency contacts should be someone available to pick your child up from school in your absence in the event of a sudden illness or injury.

Immunizations—Policy 3413

Before a child can attend school, parents/guardians must provide proof of full immunization or a valid certificate of exemption (COE). Immunization is required against Diptheria, Pertussis (Whooping Cough), Tetanus, Polio, Mumps, Measles, Rubella, Hepatitis B and Varicella (or proof of diagnosis). Kindergarten and any newly enrolled students will not be assigned to a classroom or be able to attend school until all immunizations are in compliance. For detailed information about vaccines and requirements for school, visit the WA Department of Health website at: https://www.doh.wa.gov/CommunityAndEnvironment/Schools/ImmunizationForms

Beyond the requirements for kindergarten entry, students ages 11 and older are required to show proof of Tdap (Diptheria, Tetanus and Pertussis) vaccination if it has been five years since receiving a Tetanus-containing vaccine (Tdap, DT, or Td). In addition to required vaccines for school, there are several recommended for children and adolescents. According to the WA Department of Health, families should consider the following vaccines for their children: Hepatitis A, Human Papillomavirus (HPV), Influenza, Meningococcal Disease, and Pneumococcal Disease. Detailed information is available at: https://www.pdc.gov/vaccines/schedules/parents-adults/resources-parents.html

Requirements for valid exemptions vary with vaccine/disease. For example, a personal/philosophical exemption for Measles is NOT considered valid. Documentation of a medical or religious exemption must be provided. If a child has been exempted from a vaccine, the child may be excluded from school in the event of an outbreak of that particular disease. For the current COE form, visit the WA Department of Health website or the District website: www.sw.wednet.edu -> Families -> Health Services -> Health Links

Meningococcal Disease (Meningitis)

Schools in Washington are required to provide the parents/guardians of students entering 6th through 12th grades with information on Meningococcal disease. Although not required for school attendance, meningococcal vaccination is recommended for students at 11 to 12 years old with a booster dose at 16.

Meningitis is an infection of the fluid of a person’s spinal cord, and fluid that surrounds the brain. There are two distinct kinds—viral and bacterial, with each type exhibiting similar symptoms. Viral tends to be less severe and students can get better without treatment. Bacterial can be very severe and may result in brain damage, hearing loss, disability and death. Symptoms may develop over one to two days and include: high fever and chills, stiff neck, headache, light sensitivity, vomiting, and sometimes a rash, coma and seizures. Meningitis is much less contagious than the common cold or influenza. It is transmitted person-to-person through respiratory and throat secretions such as kissing or coughing. It may also be spread by sharing beverage containers, for example. More information is available at the District website or at: https://www.doh.wa.gov/YouandYourFamily/HealthsAndDisease/Meningitis.

Human Papillomavirus (HPV)

Information regarding Human Papillomavirus (HPV), and the respective vaccine, is provided to families at the direction of the Washington State Legislature to help reduce cervical cancer rates.

HPV is a very common infection and spread easily by skin-to-skin contact. There are more than 100 types of HPV. About 40 types can infect the genital area – the vulva, vagina, cervix, rectum, anus, penis, or scrotum. Some types produce warts in the skin. A few types can lead to cancers, especially cervical cancer, anal cancer, and cancer of the throat. The HPV vaccine is recommended for children at age 11 to 12 to help prevent these types of cancers.

More information is available at the District website or at: https://www.doh.wa.gov/YouandYourFamily/HealthsAndDisease/HumanPapillomavirusHPV

Infectious Diseases—Policy 3414

In order to safeguard the school community from the spread of diseases, the District adheres to the Infectious Disease Control Guide provided by the State Department of Health and the Office of the Superintendent of Public Instruction. In general terms, students who have experienced fever (>100 degrees F), or intestinal upset (vomiting or diarrhea) shall NOT return to school until symptom-free for 24 hours or more. If symptoms are present at school, health room staff will use their clinical discretion and communicate with parents/guardians about an appropriate care plan.
Your Child’s Health and Safety

Medications at School—Policy 3416

If a child requires medication—either prescription or non-prescription—during the school day, parents/guardians must return the completed district Medication Authorization form to the school nurse with written authorization and instructions from a licensed healthcare provider. Forms are available at the school or can be downloaded from the district’s website. An updated Medication Authorization form is required each school year.

All medication must be provided in the original manufacturer’s container with instructions. The form and medication must be brought to school by a parent/guardian. Under no condition should any type of medicine be sent to school with the student, in lunches, or with the bus driver. If a health care provider and parents/guardians request that a student be permitted to carry and/or self-administer a medication, the school nurse may grant permission based on student’s ability to demonstrate safe administration.

Physical Activity Limitations—Policy 3122 Procedure

In the event that a student has an injury preventing them from participating in PE activities a parent note will be accepted on a short term basis. The student will be expected to attend class with limited or no participation. If their activity is limited for 3 or more days a Healthcare Provider’s note listing the need to limit activity is recommended. In participation-type classes (e.g., certain music and physical education classes) the student may not be able to achieve the objectives of the unit of instruction as a result of absence of participation in class. In such a case, a parent-approved absence would have an adverse effect on the student’s educational progress which would ultimately be reflected in the grade for such a course.

Concussions—Policy 3422

Consistent with Washington law, the District will utilize guidelines developed with the Washington Interscholastic Activities Association (WIAA) and other pertinent information and forms to inform and educate coaches, youth athletes, and their parents and/or guardians of the nature and risk of concussions or head injuries, including the dangers associated with continuing to play after a concussion or head injury.

Annually, the district will distribute a head injury and concussion information sheet to all parents and guardians of student participants in competitive sport activities. The parent/guardian and student must return a signed acknowledgement indicating that they have reviewed and understand the information provided before the student participates in any covered activity. Until this acknowledgement form is returned and on file with the District, the student may not practice or compete.

In the event of a concussion it is the responsibility of the family to provide recommendations documented by a Healthcare Provider and ultimately documentation of clearance once the concussion symptoms have resolved.

Tobacco, Alcohol, and Drug-Free Schools—Policy 4215, 5201

Under the Drug-Free Schools and Communities Act, all of South Whidbey School District must be totally free of unlawful drugs and alcohol. No one is allowed to possess, use or distribute such drug or alcohol while at school or while taking part in school activities.

In addition, State Law and Board Policy prohibit the use of tobacco products and delivery devices by anyone on public school property. Disciplinary actions will be taken for drug, alcohol and tobacco violations. The law allows for discipline that may include prosecution for illegal acts, as well as suspension or expulsion for students.

The District fully supports the Drug-Free School and Communities Act. It is expected that all students and employees will follow the regulations and policies prohibiting possession, use or distribution of drugs, alcohol and tobacco on school property or as part of any school activity. Services are available within this area for students who are involved with drugs or abusing alcohol. Resources can be found by contacting school staff or your family health care provider.

Maintaining Professional Staff/Student Boundaries—Policy 5253

The purpose of this policy is to provide all staff, students, volunteers and community members with the information to increase their awareness of their role in protecting children from inappropriate conduct by adults. The South Whidbey School District Board of Directors expects all staff members to maintain the highest professional, moral and ethical standards in their interaction with students. Staff members are required to maintain an atmosphere conducive to learning, through consistently and fairly applied discipline and established and maintained professional boundaries. The interactions and relationships between staff members and students should be based upon mutual respect and trust, an understanding of the appropriate boundaries between adults and students in and outside of the educational setting, and consistency with the educational mission of the schools. Staff members will not intrude on a student’s physical and emotional boundaries unless the intrusion is necessary to serve an educational or physical, mental and/or emotional health purpose. An educational purpose is one that relates to the staff member’s duties in the district. Concerns about professional staff/student boundaries should be addressed to our Human Resources Specialist, at (360) 221-6808 ext 2222.
Special Programs

Special Education Child Identification -Policy 2161

CHILD FIND

School Age (6-21): SWSD identifies children ages 6-21 who may have a suspected disability. A referral may be initiated by a parent, staff member or by a person knowledgeable about the student. Please call the SWSD Special Education department at 360-221-6808 ext. 2206 for more information about making a referral or contact your child’s school principal.

Preschool Age (3-5): Periodic Screenings are scheduled for preschoolers (age 3 to 5) to identify possible delays in different areas. If you are concerned about your child having a delay in language, motor, social-emotional development or you suspect learning difficulties that may affect their ability to learn, please contact the school district special education office at the number listed above. These screenings are free.

In partnership with Skagit Valley Community College, SWSD has a developmental preschool program for a limited number of students called ECEAP which is housed at the South Whidbey Elementary South Campus. Children ages three to four years are qualified for the program through an assessment of hearing, vision, speech, language, health, learning, developmental delay, behavior management, mental retardation, birth defects, orthopedic, spinal problems, autism or other disabilities.

Birth to Age 3: If you are concerned about development in this age group, please contact Toddler Learning Center. The school district provides a program for qualifying children through the Toddler Learning Center. Call Sharon at (360)221-6808 ext. 4420 for more information.

The Child Find mandate applies to all children who reside within a school district, including children who attend private schools and public schools, highly mobile children, migrant children, homeless children and children who are wards of the state (20 U.S.C. 1412 (a)(3)). If your family is living in a temporary situation, you may contact the district where you are staying to attend a screening.

Section 504 -Policy 2162

Section 504 of the Rehabilitation Act of 1973, commonly called “Section 504,” is a federal law that protects students from discrimination based on disability. Section 504 assures that students with disabilities have educational opportunities and benefits equal to those provided to students without disabilities. To be eligible, a student must have a physical or mental impairment that substantially limits one or more major life activity.

Your child has the right to an evaluation before the school determines if he or she is eligible under Section 504. Students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated and provided with appropriate educational services.

Students may be disabled under this section even though they do not require services pursuant to the Individuals with Disabilities Education Act (IDEA). Please contact your school principal regarding services.

If you disagree with the district’s decisions regarding your child’s identification, evaluation, educational program, or placement under Section 504, you may request mediation or an impartial due process hearing. You and your child have the right to take part in the hearing and have an attorney represent you. Hearing requests and other concerns can be made to your district’s Section 504 Coordinator: Dr. Jeffery Fankhauser (360) 221-6808 ext. 4608. You have the right to file a complaint of discrimination with the U.S. Department of Education’s Office for Civil Rights (OCR), or to file a complaint in federal court. Generally, an OCR complaint may be filed within 180 calendar days of the act that you believe was discriminatory. The regional office is located at 915 Second Ave, Room 3310, Seattle, WA 98174-1099. Phone: 206-607-1600/ TDD: 206-607-1647 www.ed.gov/OCR.

Accessibility

The district ensures that each program, service or activity, when reviewed in its entirety, is readily accessible to and usable by individuals with disabilities per the Americans with Disabilities Act.

Legal Paperwork: If you have any legal paperwork for your child, please bring a copy to the school office.
Highly Capable Learner Program Policy 2190

The program for Highly Capable Learners has been created to enrich the school experience for students identified as exceptional or “gifted”. We utilize assessment tools as a screening process to identify students who may be served well in such a program. Students previously identified and invited to be part of the Highly Capable Learners program need not reapply annually to participate and remain part of the HCL program for the duration of their school career in the South Whidbey School District.

Children who qualify in the top 2% are considered Tier 3 and eligible for enrichment programs and activities. If you and your child’s teacher or teachers believe that he or she may be a highly capable student (in the top 2%) you may nominate the student to be assessed. Please have a conversation with your child's teacher about this and request a nomination packet.

Educational Services for Displaced Youth - Policy 3115

The purpose of the McKinney-Vento Act is to provide educational services for homeless students which are equal to those provided for all other enrolled students, and ensure that homeless children and youth have equal opportunities to enroll in, attend, and be successful in school. (Please see the McKinney-Vento form on page 20.) Your child may qualify as homeless if you are:

- Sharing housing with others due to loss of housing, economic hardship, or similar reason;
- Living in a motel, hotel, trailer parks or camping grounds due to lack of alternative adequate living accommodations;
- Living in emergency or transitional shelters;
- Are abandoned in hospitals;
- Awaiting foster care placement;
- Living in public or private places not designed for or ordinarily used as regular sleeping accommodations for human beings;
- Living in cars, parks, public spaces, abandoned buildings, substandard housing, transportation stations or similar settings; or
- Migratory children living in conditions described above.

According to the child’s best interest, homeless students will continue to be enrolled in their school of origin while they remain homeless or until the end of the academic year in which they obtain permanent housing. The District liaison for homeless students is Mary Michell at (360) 221-6808 ext 4320.

Volunteering - Policy 5630

South Whidbey School District recognizes that involvement of parents and community members in each student’s education contributes to a positive and successful school experience. Parent involvement continues to have a strong effect on academic performance, even throughout high school. Besides helping the school, volunteers are teaching the next generation the joy and obligation of giving some of one’s precious time to worthwhile causes!

When becoming a volunteer, you will want to find an opportunity that can fit both your interests and time availability. There are many ways family and community members can spend their volunteer time. Often times, contacting your child’s school is a good place to start. Here is a list of common volunteer opportunities in the South Whidbey School District:

- PTA (officer, fundraising efforts, etc.)
- Classroom helper
- Book fair
- Tutor
- Room parent
- Lunch Buddy
- Parents on Campus
- Recess volunteer
- Classroom speaker
- Athletic Booster Clubs
- Band/Music/Drama productions
- Committee advisor
- Senior project panel member

All volunteers must complete a Washington State Patrol background form. Clearance is good for two years for volunteering throughout the district. After two years, volunteers must renew their clearance. When you enter a school building, please check in at the office to sign in and pick up an identification badge.

Volunteer Forms are available online at: https://sw.wednet.edu/families/volunteers

Family Access, Conferences and Internet Use Policy 2022

Reporting to Parents Through Skyward/Qmlativ-Family Access (Smart phone App Available)

Skyward/Qmlativ - Family Access is a web module that allows family members to access student information over the Internet via a secured web connection in real time. One of the great things about Family Access is that it is available from your home, office or anywhere you have access to the Internet. Secure user names and passwords are issued to parents/guardians and to middle and high school students for access to this module.

Family Access is configured so that parents/guardians and students have access to student information, such as lunch account balances, attendance, schedules, current grades and report cards.

To Access Skyward/Qmlativ:

1) Go to our website at www.sw.wednet.edu
2) Click Communications—Family Student Access
3) Login with your login ID and password. If you do not have your login information, see your school secretary. They can reset your password if necessary.
4) Once you are logged in, choose the child you wish to review from the top drop down menu.
5) On your child’s page, you can see emails sent from teachers and the school, see their schedule, grades, attendance, assignments as reported by their teachers, meal account balance, make a credit card payment towards the meal account (for a fee) and more.

For more information, please see the quick link How to Use Skyward Family Access.

Download the available Skyward/Qmlativ App to east access.

Conferences

Conferences for Grades K-8 are held in the fall (See District School Calendar). Students in grades K-8 do not have classes on the conference days. The students in grades 9-12 are still in session. These conferences are intended to give parents an opportunity to meet with the teacher and set academic goals. Parents are invited to contact the teacher to arrange a conference at any time regarding their child’s progress.

Technology/Internet Access

The Board recognizes that an effective public education system develops students who are globally aware, civically engaged, and capable of managing their lives and careers. The Board believes that students need to be proficient users of information, media, and technology to succeed in a digital world.

Parents and students should read and fully understand the expectations provided by the school. If you do not want your child to access the Internet at school, please complete the opt out portion of the Network Use Expectations form and turn it in to your school office. This must be done at the beginning of each school year. If no documentation is on file, it will be assumed that permission for Internet usage has been granted.

Google Classrooms and Teacher Webpages

Teachers may create pages on the school websites under STAFF. Pages may have contact information, conference hours, handouts, homework and test dates. Please check often for updates.
**Transportation Policy 6605**

Drivers are cautioned that when the upper RED lights are flashing and the bus stop paddle is out, it is unlawful to pass the bus from either side or direction. If you are late to the bus stop and you want to put your student on the bus, go to a bus stop far enough ahead of your stop so that your student may approach the bus from the front. The driver cannot see you or your student from the rear. If you cannot see the driver, the driver cannot see you.

Parent volunteers may ride the bus to school on a space available basis. They must have their WSP background check completed to do this. Your school’s office staff can assist in this.

Not all stops are listed on the bus schedule. Look for a location before and after your stop to find an approximate pickup time. For help with specific questions call the transportation department.

Bus Routes are available online at [www.sw.wednet.edu](http://www.sw.wednet.edu), go to Departments, then to Transportation. SCHOOL BUS RULES are based on Washington Administrative Code (WAC 392-145) and SWSD Transportation Policies. Students are expected to behave properly and safely on the bus and at bus stops. See [Student Safety on Bus Policy 6605](http://www.sw.wednet.edu). Discipline action as noted in the Code of Conduct may be taken if students do not follow the rules. See [List of Rules online](http://www.sw.wednet.edu).

**Communication from the District and Schools**

The South Whidbey School District is committed to communicating and providing current and transparent Information to our students and families. Here are the many ways to receive Information:

1) **Websites/App**: Please visit our websites often. From the districts main site, you can link to each of the school sites. Our websites provide the lunch menus, calendars, current events, family information, staff directory, links to staff pages and much more. See [www.sw.wednet.edu](http://www.sw.wednet.edu), The free SWSD App is available for Apple and Android mobile devices. Download today. More info linked here.

2) **Newsletters**: Quarterly District Newsletters are emailed and made available online in September, November, March and June.

3) **Navigator**: Bimonthly SWSD Navigator emails provide Board notices, events and news releases.

4) **School Bulletins/Podcasts**: Weekly school bulletins/podcasts are read daily to the students and available for parent review online at each school website.

5) **Skyward/Qmlativ Emails**: School Principals and Teachers will email, via Skyward/Qmlativ, information regarding your student and school.

6) **Post Mail**: Other notices may be mailed to your mailing address on file.

7) **Robo Emails/Texts**: The District will send out a Robo Email or Text for all emergency information such as school closures and late starts.

   Please update your school secretaries if your phone, email or address changes.

8) **Facebook**: Like us on Facebook: @SouthWhidbeySchoolDistrict for up to date photos and events.

**Community Flyers—Peachjar**

Our district cooperates with approved community partners by posting eflyers online and distributing them electronically through our service provider, Peachjar. As part of our efforts to be more environmentally friendly, embrace innovative technology, and maintain fiscal responsibility we have transitioned from paper to electronic flyer delivery.

To request flyer approval, go to www.peachjar.com and register as a program provider. Once approved, your flyer will be emailed to either all K-6, 7-12, or both parents and posted online. Paper flyers from outside organizations will no longer be distributed in what was known as the Take Home Tuesday Folders. For more information, go to [www.sw.wednet.edu](http://www.sw.wednet.edu), go family information, then to flyers-handouts-Peach jar.

Please keep your current email address up to date with the school secretaries to continue to receive current flyers and information from the schools.

Please Communicate with Us!

Please update your contact information with our school secretaries.

Please keep an open dialogue with your teachers.

Please check Skyward/Qmlativ Family Access often to keep up to date on your child’s grades, attendance, homework history, meal account balance and messages from the school.

Please participate in school/district events, meetings, functions. Volunteer for field trips, sports, or classes.

For K-6 graders, please update your pick up plans through our Pick up Patrol Program.

Pick Up Patrol is an application that can be downloaded for free onto your phone, tablet or computer. Once you sign up and connect with the South Whidbey Elementary site, it allows you to make transportation changes for your child instantly. It is convenient. Simply submit changes from your computer or mobile device—anytime, anywhere. Pick up Patrol is flexible and allows you to make plan changes days, weeks or even months in advance. It is safe and secure, you will receive a confirmation email whenever a plan change is made for your child.
Inclusivity - Title IX - Nondiscrimination

Our Commitment to Non-Discrimination Policy 3210

The South Whidbey School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. The following employee(s) has been designated to handle questions and complaints of alleged discrimination:

Civil Rights/Title IX/ RCW 28A.640 / RCW 28A.642 compliance officer, Dan Poolman, dpoolman@sw.wednet.edu, or Section 504/ADA coordinator, Dr. Jeff Fankhauser, jfankhauser@sw.wednet.edu, 5520 Maxwelton Road, Langley, WA 98260, 360-221-6100, fax 360-221-3835

You can report discrimination and discriminatory harassment to any school staff member or to the district's Title IX/Civil Rights Officer, who is listed above. You also have the right to file a complaint (see below). For a copy of your district's nondiscrimination policy and procedure, contact your school or district office, or view it online here: SWSD Policy 5010.

Sexual Harassment Prohibited (Policies 5010 and 3205)

Students and staff are protected against sexual harassment by anyone in any school program or activity, including on the school campus, on the school bus, or off-campus during a school-sponsored activity.

Sexual harassment is unwelcome behavior or communication that is sexual in nature when:

A student or employee is led to believe that he or she must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision, or

The conduct substantially interferes with a student’s educational performance, or creates an intimidating or hostile educational or employment environment.

Examples of Sexual Harassment:

- Pressuring a person for sexual favors
- Unwelcome touching of a sexual nature
- Writing graffiti of a sexual nature
- Distributing sexually explicit texts, emails, or pictures
- Making sexual jokes, rumors, or suggestive remarks
- Physical violence, including rape and sexual assault

You can report sexual harassment to any school staff member or to the district's Title IX Officer, who is listed above. You also have the right to file a complaint (see below). For a copy of your district's sexual harassment policy and procedure, contact your school or district office, or view it online here: Policy 3205.

COMPLAINT OPTIONS:

DISCRIMINATION AND SEXUAL HARASSMENT

If you believe that you or your child have experienced unlawful discrimination, discriminatory harassment, or sexual harassment at school, you have the right to file a complaint.

Before filing a complaint, you can discuss your concerns with your child’s principal or with the school district’s Section 504 Coordinator, Title IX Officer, or Civil Rights Coordinator, who are listed above. This is often the fastest way to resolve your concerns.

Complaint to the School District

Step 1. Write Your Complaint

In most cases, complaints must be filed within one year from the date of the incident or conduct that is the subject of the complaint. A complaint must be in writing. Be sure to describe the conduct or incident, explain why you believe discrimination, discriminatory harassment, or sexual harassment has taken place, and describe what actions you believe the district should take to resolve the problem. Send your written complaint—by mail, fax, email, or hand delivery—to the district superintendent or civil rights compliance coordinator.

Step 2: School District Investigates Your Complaint

Once the district receives your written complaint, the coordinator will give you a copy of the complaint procedure and make sure a prompt and thorough investigation takes place. The superintendent or designee will respond to you in writing within 30 calendar days—unless you agree on a different time period. If your complaint involves exceptional circumstances that demand a lengthier investigation, the district will notify you in writing to explain why staff need a time extension and the new date for their written response.

Step 3: School District Responds to Your Complaint

In its written response, the district will include a summary of the results of the investigation, a determination of whether or not the district failed to comply with civil rights laws, notification that you can appeal this determination, and any measures necessary to bring the district into compliance with civil rights laws. Corrective measures will be put into effect within 30 calendar days after this written response—unless you agree to a different time period.

Appeal to the School District

If you disagree with the school district’s decision, you may appeal to the school district’s board of directors. You must file a notice of appeal in writing to the secretary of the school board within 10 calendar days after you received the school district’s response to your complaint. The school board will schedule a hearing within 20 calendar days after they received your appeal, unless you agree on a different timeline. The school board will send you a written decision within 30 calendar days after the district received your notice of appeal. The school board’s decision will include information about how to file a complaint with the Office of Superintendent of Public Instruction (OSPI).
Complaint to OSPI

If you do not agree with the school district's appeal decision, state law provides the option to file a formal complaint with the Office of Superintendent of Public Instruction (OSPI). This is a separate complaint process that can take place if one of these two conditions has occurred: (1) you have completed the district’s complaint and appeal process, or (2) the district has not followed the complaint and appeal process correctly.

You have 20 calendar days to file a complaint to OSPI from the day you received the decision on your appeal. You can send your written complaint to the Equity and Civil Rights Office at OSPI:

Email: Equity@k12.wa.us  Fax: 360-664-2967

Mail or hand deliver: PO Box 47200, 600 Washington St. S.E., Olympia, WA 98504-7200

For more information, visit the OSPI [website](http://www.k12.wa.us/Equity), or contact OSPI’s Equity and Civil Rights Office at 360-725-6162/TTY: 360-664-3631 or by e-mail at equity@k12.wa.us.

Student Rights and Responsibilities (Policy 3200)

Students and their parents/guardians can find detailed information about rights and responsibilities in individual school student handbooks. Parents/guardians are encouraged to immediately report concerns to their child’s teacher then to the school principal to allow the school to respond as soon as possible.

If you are unable to meet with the teacher or principal or the problem cannot be solved, you may contact Dan Poolman at the district office and file a complaint. You also have the right to contact the Office for Civil Rights or the Washington State Human Rights Commission. The Office of the Superintendent of Public Instruction has specific information at [www.k12.wa.us/Equity](http://www.k12.wa.us/Equity).

Harassment of Students at School Prohibited (Policies 3207, 3210, 3211, 3220, 5010)

The district is committed to a safe and civil education environment for all students, employees, parent/legal guardians, volunteers and patrons that is free from harassment, intimidation or bullying. “Harassment, intimidation or bullying” means any intentionally written message or image-including those that are electronically transmitted-verbal, or physical act, including but not limited to one shown to be motivated by race, color, religion, ancestry, national origin, gender, sexual orientation including gender expression or identity, mental or physical disability or other distinguishing characteristics, when an act:

- Physically harms a student or damages the student’s property.
- Has the effect of substantially interfering with a student’s education.
- Is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment.
- Has the effect of substantially disrupting the orderly operation of the school.

The district is committed to digital citizenship by promoting responsible, ethical use of technology. Our students are taught to be safe and kind online and to be aware of their digital footprint.

It is the policy of the South Whidbey School District to encourage students and staff to learn and work in schools that are free from violence, intimidation, threats, harassment and fear. Because of wise, consistent enforcement of the rules and ethical decision-making by both youth and adults, the school environment is attractive to students and creates the most favorable conditions in which to learn.

Complaints are handled individually at each school according to the school’s policy. Such complaints must be appropriately investigated and consistently handled with due process requirements. Informal reports may be made to any staff member. The policies promote mutual respect, civility and orderly conduct among district employees, parents, students, and the public.

If you or someone you know if suffering from harassment, intimidation or bullying of any form, please make a report in person, [online](http://www.k12.wa.us/Equity) or by phone.

**Suicide Prevention (Policy 2145)**

**Forefront Suicide Prevention project at South Whidbey High School**

SWHS is in year two of a three year partnership with Forefront Suicide Prevention, a program out of the University of Washington (http://www.intheforefront.org). Since the fall of 2017, a team of teachers, parents, counselors, other school personnel, and students have met monthly to work on suicide prevention programs. Last year we focused on training our teachers and staff in the LEARN Suicide prevention material, as well as ensuring SWHS has a comprehensive suicide response plan. We also held a parent-led suicide prevention training for parents and community members. This year, we continued those efforts and added a team of eight SWHS students (in grades 9-11) who have been trained as peer-to-peer trainers. These students have been giving hour-long presentations to their peers about suicide prevention and mental health awareness. To date, these peer trainers have given presentations to seven classes, with seven more planned. They've presented to 24% of our high school student population and we're hoping to reach 50% by the end of the year.

**We won an award!** We just received notice that the Forefront Student Peer-to-peer Trainers will be recognized at the 2019 Linda Lee Martens Community Health Hero Award ceremony on May 16th. This award is given by the Island County Board of Health and Community Health Advisory Board. We'll be taking as many of our student trainers (and their parents) as possible to the awards event.

Privacy

Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

The right to inspect and review the student’s educational records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record (s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request the amendment of the student’s educational records that the parent or eligible student believes are inaccurate. Parents or eligible students may ask the school to amend a record that they believe is inaccurate. They should write to the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student’s educational records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor or support staff member (including health or medical

staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school district to comply with the requirements of FERPA. The name and address of the office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington D.C. 20202-5901.

Photographs

Occasionally the school or district staff take photographs of students for use in district or school-produced materials (for example: annual yearbooks, Facebook posts, newsletters, school or district website, videos, or presentations, to name a few) or for use in the news media. If you do not wish to have your child’s photograph released, you must notify the school in writing. Parents objecting to the release of their child’s photograph should notify the school as soon as possible after the school year has begun.

Personal Social Media

Social media technology has had an impact on our world and lives. People that we might otherwise not hear from are now a click away and our lives have the potential of being an “open book”. Our thoughts, ideas, photos and happenings can be posted continuously and instantly. All of these things have social and educational implications.

One area of concern is personally posting photos as they relate to student confidentiality and safety. Here are some guidelines for you to consider when using Facebook, Instagram, etc.:

Many parents do not want their child’s photo online. Written permission from the child’s parent/guardian must be received prior to posting any pictures from school/classroom events. This is for your own protection as well as the protection of the student (s).

Do not tag or list students’ last names on posted photos.

Any photo taken by a company is copyrighted and should not be posted (e.g., class and individual student pictures).

Pictures should not be taken at school for the purpose of posting on-line. Prior permission from the school office must be obtained anytime you take pictures on campus. Office staff must also screen pictures taken for yearbooks and annuals, since parents can opt out of having their student’s picture included.

Student photos are not to be used to promote a business of any kind.

Our school district recommends that staff members do not “friend” our families or students. This is to make sure to keep professional boundaries.

We appreciate your willingness to adhere to these guidelines. As a school district, we are responsible for the safety of our students while they are on school grounds.
Releasing Student Information

Most information about our students is confidential and cannot be made public without consent of parents/guardians. However, the federal Family Educational Rights and Privacy Act (FERPA) permits a school district to release "directory information" about a student unless a parent/guardian chooses not to have it released.

Requests for this type of information often come from the news media for news stories, sports articles, academic achievements, awards and special programs. There are also times when schools or the district may want to recognize students in newsletters and other district publications.

The district defines directory information as the student's name, photograph, address, telephone number, email address, date and place of birth, dates of attendance, grade in school, graduation year, participation in officially recognized activities and sports, weight and height of members of athletic team members, diplomas and awards received, and the most recent school attended by the student.

You have the right to withhold this information. If you do not wish to have such information released, you must notify the school in writing.

Release of Information Post-Secondary (College and Military) Organizations Policy 3231

The federal Elementary and Secondary Education Act, commonly known as the Every Student Succeeds Act, requires that schools receiving Title I federal aid have instructors in all core academic areas who meet the federal definition of "highly qualified."

Parents/guardians may request the release of information on their child's name, teacher, grade level, and certain成绩 and awards received, and the most recent school attended by the student.

Parents objecting to the release of their child's name should inform their school as soon as possible after the school year has begun.

PPRA Notice—Policy 3232

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires the district to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"): Political affiliations or beliefs of the student or student's parent; Mental or psychological problems of the student or student's family; Sex behavior or attitudes; Illegal, anti-social, self-incriminating, or demeaning behavior; Critical appraisals of others with whom respondents have close family relationships; Legally recognized privileged relationships, such as with lawyers, doctors, or ministers; Religious practices, affiliations, or beliefs of the student or parent (s); or Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings. The district will provide parent (s), within a reasonable period of time prior to the administration of the surveys and activities, notification of the surveys and activities and be provided an opportunity to opt their child out, as well as an opportunity to review the surveys. (Please note that this notice and consent/opt-out transfers from parents to any student who is 18 years old or an emancipated minor under state law.)

Student Insurance

South Whidbey School District does not provide student insurance coverage for injuries arising from accidents during school, in athletic competition, in work-based learning or during school-sponsored activities, such as ASB activities or field trips. Parents and guardians are responsible for the payment of medical treatment or hospitalization for student injuries incurred during school and outside activities.

At the beginning of the school year, the district provides parents with information on voluntary insurance programs offered by student accident insurance providers. Student accident insurance brochures are available at your child's school. For students who are not covered by a family health or accident insurance plan, parents/guardians should consider purchasing student accident insurance available through the district.

Title I - Policy 2104

Title I is a federally funded program designed to help children who are achieving below grade level in reading and math. Trained teachers, paraeducators and materials are provided by Title I funds to qualifying schools. Based on their scores, children receive instruction to accelerate their learning. Families at Title I schools are invited to participate in the planning and evaluation of the program. The Elementary and Secondary Act (also known as the Every Student Succeeds Act) requires that schools receiving Title I federal aid have instructors in all core academic areas who meet the federal definition of "highly qualified."

Parents/guardians may request the qualifications of their child’s teacher. See OSPI at https://www.k12.wa.us/ Title I.

Parent Engagement—Policy 4130

The following link is to our Title 1 Parent Engagement policy 4130. Please take a few minutes to review the information in our Title 1 parent engagement policy. You can also view and give input on the policy at our annual Title 1 meeting held at our Elementary North Campus in the Fall. Any questions or suggestions please contact the South Campus Principal and Title 1 Director Dr. Fankhauser at jfankhauser@sw.wednet.edu
Dear Parent/Guardian:

This letter tells how your children can get free or reduced-price meals, as well as information on other benefits. The cost of school meals is shown below.

Breakfast will be served at no cost to those children who qualify for free and reduced-price meals. Lunches will be served at no cost to children who qualify for free meals and to those who qualify for reduced-price meals in kindergarten through 3rd grade. All other students (preschool and 4th – 12th grades) will be charged the rates shown below.

**Who should fill out an application?**

Fill out the application if:
- Total household income is the SAME or LESS than the amount on the chart.
- You receive Basic Food, take part in the Food Distribution Program on Indian Reservations (FDPIR), or receive Temporary Assistance for Needy Families (TANF) for your children.
- You are applying for foster children that are under the legal responsibility of a foster care agency or court.

**Turn in the application to:** Your child’s school front office or the South Whidbey Schools District Office, attention Monique Karlov

Be sure to submit ONLY ONE application per household. We will notify you if the application is approved or denied. If any child you are applying for is homeless (McKinney-Vento), or migrant, check the appropriate box.

**What counts as income? Who is considered a member of my household?**

Look at the income chart below. Find your household size. Find your total household income. If members in the household are paid at different times during the month and you are unsure if your household is eligible, fill out an application and we will determine your income eligibility for you. The information you give will be used to determine your child’s eligibility for free or reduced-price meals.

Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals regardless of personal use income. If you have questions about applying for meal benefits for foster children, please contact us at (360)221-6808 X 2224

**What must be on the application?**

**A. For households not getting any assistance:**
- Student name(s)
- Names of all household members
- Income by source for all household members
- Adult household member’s signature
- Last 4 digits of social security number of the adult household member who signs the application (or if the adult signing does not have a social security number, check the associated box).

Complete Parts 1, 2, 3, 4, and 5; Part 6 is optional.

**B. For households with only foster child(ren):**
- Student’s name
- Adult household member signature

Complete Parts 1 and 5; Part 6 is optional. You may also send the school a copy of the court documentation showing the foster child(ren) was/were placed with you instead of filling out an application form.

Last 4 digits of SSN are not required for B.
National School Lunch Program/School Breakfast Program
2020-21 Letter to Households (Public Schools)

What must be on the application? continued

C. For a family getting Basic Food/TANF/FDPIR:
- List all student names
- Enter a case number
- Adult household member’s signature
- Complete Parts 1, 2, 4, and 5. Part 6 is optional.
  Last 4 digits of SSN are not required for C.

D. For household with a foster child(ren) and other children:
Apply as a household and include foster children. Follow the directions for “A. For households not getting any assistance” and include the foster child’s personal use income.

What if I’m not receiving basic food dollars?
If you have been approved for Basic Food but do not actually receive Basic Food dollars, you may be eligible for free or reduced-price meals. You must apply for meal benefits by filling out a meal application and returning it to your child’s school.

Do my children automatically qualify if they have a case number?
Yes. Children on TANF or Basic Food may get free meals and children receiving some Medicaid benefits may be eligible for free or reduced-price meals without the household having to complete an application. These children are identified by the school using data matching process. This matched list is then made available to your child’s school food service staff. The students on this list get free meals if their schools have the free and reduced-price breakfast and/or lunch program (not all schools do). Please contact us immediately if you feel your children should be receiving free meals and are not. If you do not want your child to participate in the free meal programs using this method, please notify the school.

If anyone in my household has a case number, will all children qualify for free meals?
Yes. If someone else in the household has a case number, other than a foster child, you must fill out an application and send it to your student’s school. Please contact us immediately if you feel other children in your household should be receiving free meals and are not.

Basic Food - Can I qualify for assistance in buying food?
Basic Food is the state’s food stamp program. It helps households make ends meet by providing monthly benefits to buy food. Getting Basic Food is easy! You can apply in person at the local DSHS Community Service Office, by mail, or online. There are other benefits too. You can learn about Basic Food by calling 1-877-501-2233 or by logging on to https://www.dshs.wa.gov/esa/community-services-offices/basic-food.

We are in the military. Do we report our income differently?
Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

My child’s application was approved last year. Do I need to fill out a new one?
Yes. Your child’s application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

What if some household members have no income to report?
Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

Health Coverage
To inquire about or apply for health care coverage for kids in your family, please visit http://www.wahealthplanfinder.org or you may call Washington Health Plan Finder at 1-855-923-4633.

What if my child needs special foods?
If your child needs special foods, contact the school/district food service office.

Proof of Eligibility
The information you provide may be verified at any time. You may be asked to send additional information to prove your child is eligible to receive free and reduced-price meals.

Fair Hearing
If you do not agree with the decision on your child’s application or the process used to prove income eligibility, you may talk with Dan Poolman, the fair hearing official. You have the right to a fair hearing which may be arranged by calling the school/school district at this number 360-221-6100.

Reapplication
You may apply for benefits any time during the school year. If you should have a decrease in household income, an increase in household size, or become unemployed, or receive Basic Food, TANF, or FDPIR, you may be eligible for benefits and may fill out an application at that time.
South Whidbey School District Offers a wide range of interscholastic activities for grades 7-12. The School Board recognizes the value of interscholastic activities as an integral part of the total school experience to all students of the district and to the community.

More information regarding athletics can be found on our website at https://sw.wednet.edu/programs/athletics

Athletic Director:
Paul Lagerstedt (360) 221-6808 x5408
plagerstedt@sw.wednet.edu

Athletic Secretary:
Rene’ Bilyeu (360) 221-6808 x5423
rbilyeu@sw.wednet.edu

Athletic Packet is available online and at SWHS and District Office.

In addition to basic school rules, athletes are required to adhere to additional guidelines and/or be subject to additional sanctions for rule violations. Additional guidelines, as well as the consequences for violating the code, are outlined in greater detail in the actual athletic code document that each athlete receives and signs.

1. Academic Eligibility: To be academically eligible, a student must have had a 2.0 GP for the previous semester and must have passed all full-time classes. Students currently below a 2.0 GPA and/or failing one or more subjects will be placed on probation.

2. Substance Abuse: Possession of, use of, and/or traffic in tobacco, alcoholic beverages, controlled substances, and legend drugs, including anabolic steroids is forbidden. Also, any student found by the school district to have violated the drug codes of the district will be subject to school discipline as well as being referred to the appropriate law enforcement agency.

3. Attendance at activities where illegal age drinking are present is strictly forbidden. Students should leave immediately when they become aware of the illegal activity. This includes underage alcohol consumption. Students who violate this provision will receive one to three weeks suspension from interscholastic contests as determined by the athletic director and/or administrator. Any additional violations of this provision would result in progressively increased exclusion from interscholastic contests.

Food Services Policy 6700

Breakfast is served at the Elementary School from 8:40-9:00am. Our breakfast and lunch program offers a variety of healthy choices. The menus can be found online at www.sw.nutrislice.com.

Students are provided an account and a number that is provided to the food service person to charge each time they eat. Kindergarten and First Grade Students’ number cards will be given to the food services department in the morning.

The amount of their meal will be deducted from their total. The meal prices are noted on the next page.

You can make payments to your child’s account online through Skyward/Qmlativ Family Access (see page 7) or by check to your school office. Free/Reduced lunch applications are available online and at your school office in the fall and may be obtained from the school or district office at any time during the school year. A new application must be completed and submitted at the beginning of each year. One form per family is all you will need to fill out. Even if your child was previously on the free/reduced lunch program, a new application must be filled out and submitted at the beginning of each school year.

Withdrawal from School

If you are planning to move, please fill out the withdrawal form at your school office. We will forward your child’s permanent records to their new school once a request for records is received from the next school.

Dress Code

Please help your child choose education ready clothing for the performance and weather. Please make sure your child dresses warmly during the cold months. Please have your child wear athletic shoes for PE classes and outdoor education. Appearance and apparel shall be in good taste and deemed suitable for the activity in which the student is engaged.
The South Whidbey School District is committed to ensuring an environment where all students have every opportunity to engage in programs aligned with the District’s Vision, Mission, Values, and Goals for education, athletics and activities. Our Code of Conduct, Discipline Policies and Procedures were updated to meet the Washington State legal requirements. Additionally, we have established an advisory committee to meet and review the procedures. Corrective actions will be consistent with the District’s mission and goals for the best interest of students. The building administrators will ensure that corrective action is equitable, consistent, fair and balanced; progressive in nature; and considers the developmental level of the students involved.

Respect for the Law and the Rights of Others

The South Whidbey student is responsible as a citizen to observe the laws of the United States, the state of Washington, and/or its subdivisions. While in the school, the student shall respect the rights of others. Students who involve themselves in criminal acts on school property, off school property at school-supervised events, or off school property (where acts have a detrimental effect upon the maintenance and operation of the schools or the district) are subject to disciplinary action by the school and prosecution under the law.

Compliance with Rules

Students shall comply with all rules adopted by the district and by the school. Failure to do so shall be cause for corrective action. The rules shall be enforced by school officials:

**Discipline Process** To support safe, nurturing and productive learning environments, South Whidbey School District encourages staff and administration to take an instructive, restorative and corrective approach in regards to student behavior. The goals of these approaches are to:

- correct inappropriate or unacceptable behavior;
- assist students in developing empathy for others;
- accept responsibility for their actions;
- develop the capacity to improve their behavior; and
- repair the harm caused as a result of their behavior.

Schools are encouraged to establish clear expectations for student behavior and methods for supporting students’ ability to meet these expectations. When appropriate, schools may identify additional learning opportunities, which may support students’ ability to meet expectations through a multi-tiered system of support.

When appropriate, schools are encouraged to support students in understanding harm that has been caused through a student’s action, whether intentional or unintentional, and identifying the needs of the students involved. Efforts will be taken to both encourage accountability and responsibility by the author of those actions as well as to reintege all students into the school or classroom community. This approach may be supported by the use of restorative contracts, impromptu conferences, restorative circles, or formal conferences.

In those instances when discipline is needed, schools may consider both the severity and frequency of the behavior when determining which corrective action is most appropriate. In the Exceptional Misconduct and Other Misconduct Codes, consequences are divided into three categories:

- **Minor/Initial** – The impact of the student’s behavior is limited or minimal and/or this is the first such instance of this behavior by the student.
- **Moderate/Repeated** – The impact of the student's behavior has a broader or more disruptive impact and/or this is behavior that has previously been addressed with the student.
- **Severe/Persistent** – The impact of the student’s behavior has a widespread or more significant disruptive impact and/or this is behavior that has not changed after multiple times of addressing it with the student.

South Whidbey School District may administer suspensions and expulsions for behavioral violations.

South Whidbey Seniors may lose graduation activities privileges, including but not limited to commencement ceremony, until discipline consequences have been completed.

**Appeals:**

South Whidbey School District offers an appeal process which is communicated in the discipline notification letter. PLEASE READ THE DISCIPLINE NOTIFICATION LETTER and PLEASE NOTE ALL DEADLINES provided. South Whidbey School District follows the chain of command as found on page 7 of this handbook. Appeals first go to the teacher, then the building administration, then to the district and last to the Board.
Please be aware that students in grades 7-12 are provided with a Student Handbook that addresses the Code of Conduct and Discipline. Your student will sign that they have received and read the handbook and will uphold to these standards. The student handbook is available online and a printed copy can be requested from the SWHS office.

Administrators may make general searches of all student desks or storage areas without prior notice to students. An individual student, his/her property (including cell phones), locker, and vehicle parked on campus may be searched by school district employees if there is a reasonable, individualized suspicion the search is related to the discovery of contraband or other evidence of a student’s violation of law or school conduct rules. Illegal items or other possessions reasonably determined to be a threat to the safety or security of others shall be seized by school authorities. Items that are used to disrupt or interfere with the educational process may be temporarily removed from a student’s possession.

**Serious Misconduct (Specified in RCW 28A.600.015 (6)(a)-(d))**

Any conduct which materially and substantially interferes with the educational process is prohibited. However, the following infractions have been judged to be so serious in nature and/or so serious in terms of the disruptive effect upon the operation of the school (s) that students may be subject to an emergency expulsion and/or suspension (short term or long term) for a first-time offense. Because each situation is handled individually, administrators have the discretion to use other alternative forms of discipline if they so decide. This may include restitution for property damage or loss and/or restitution to victims if appropriate. All of the following acts are specifically prohibited on school grounds, school-sponsored transportation, (including authorized school bus stops), at school events off. Behavior that adversely impacts the health or safety of other students or educational staff is considered serious misconduct. The possibly disciplines that a student may receive in grades 7-12 include:

- **Discipline (D):** Any action taken by the District in response to a violation of behavioral expectations which may include, but is not limited to exclusion, detention, missed recess, restorative practices etc.

- **Restorative/Conference(s) (RC):** Restorative Practices and/or conferences

- **Risk Assessment (RA):** As part of a behavior agreement, a student may have the option to attain a risk assessment.

- **Restitution (R):** Repairing/Amending the damages (including but not limited to monetary reparations or replacement)

- **Restriction/Loss of Privileges (LP):** Student may be restricted from, and or loose their privilege to attend, school functions including but not limited to extracurricular events (e.g. dances, athletic events, senior graduation events etc).

- **Police Contact (PC):** SWSD reserves the right to call 911 and have the Langley Police, Island County Sheriff, Fire Department, or whomever else the dispatch may determine is needed for a specific situation. Students, staff and families are responsible for any consequences that result from this contact.

- **Substance Assessment (A):** As part of a behavior agreement, a student may have the option to attain a substance assessment.

- **Short-term Suspension (STS) Denial of right of attendance in response to a behavioral violation from any subject or class, or from any full schedule of subjects or classes. Short-term suspensions (STS) are for no more than ten consecutive school days.**

- **Long-term Suspension (LTS) Denial of right of attendance in response to a behavioral violation from any subject or class, or from any full schedule of subjects or classes. Exceeds ten consecutive school days.**

- **Emergency Expulsion (EE) The removal of a student from school because the student's presence poses an immediate and continuing danger to other students or school personnel, or an immediate and continuing threat of material and substantial disruption of the educational process. An emergency expulsion (EE) may be imposed to allow administrators to fully investigate the situation and impose any appropriate disciplinary or corrective action.**

- **Expulsion (E) Denial of admission to the student's current school placement in response to a behavioral violation**

- **Confiscation for Day (CD) Any item posing a threat to the educational process may be confiscated and kept in the office till the end of the school day.**

- **Confiscation Return to Parent (CP) Any item posing a threat to the educational process may be confiscated and kept in the office until retrieved by parent.**

**Educational Services During Discipline: See 3241P**

Students should email their teachers for assignments missed during discipline.

Students must be provided an opportunity to receive educational services during a suspension or expulsion and should not be prevented from completing subject, grade-level, or graduation requirements as a result of discipline.

Reasonable efforts should be made to return the student to the student’s regular educational setting as soon as possible and allow the student to petition for readmission at any time consistent with the section on readmission within this regulation.

Students may return to their regular educational setting following the end date of the suspension or expulsion, unless an exception is made consistent with District policy.

**South Whidbey Virtual Learning (SWVL)**

South Whidbey Virtual Learning (SWVL) is a web-based educational program of South Whidbey School District that provides instructor-led online courses to students. All instructors have valid state certification in their subject areas. SWVL presents students with an interactive learning experience, not a textbook online. All SWVL curriculum mirrors the scope and sequence of content taught in the classrooms at South Whidbey School District (SWSD). SWVL provides rigorous courses aligned to the same scope and sequence as courses taught in the brick and mortar building. All classes are Washington state endorsed online teachers. SWVL has a dynamic support structure which involves students, teachers, support staff, and parents/guardians. SWVL is an option for education for all students and may be suggested to suspended students during their discipline and for the remainder of the semester or school year. See more information linked here: [https://sw.wednet.edu/programs/south_whidbey_virtual_learning](https://sw.wednet.edu/programs/south_whidbey_virtual_learning) or Call (360) 221-0694.
In grades K-6, our Positive Behavioral Intervention System (PBIS) promotes positive resolutions to problem behavior. In the event that the problem solving does not resolve behaviors, the following steps may be taken; each progressive step involves the previous steps consequences.
