PURPOSE

The purpose of this handbook is to provide information and guidance that will help employees in understanding what can be expected from the district and what the district expects from employees. This handbook has been developed to provide policies, procedures and rules required to provide a quality education for our students and a safe working environment for our employees. The employee handbook describes the professional expectations and necessary conditions for our very important work together – the teaching and learning of our students.

This handbook is neither a contract nor a substitute for the official district board policy manual. Nor is it intended to alter the at-will status of non-contracted employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the board policies that are associated with handbook topics, confer with their supervisor, or call the appropriate district office department. Copies of School Board Policies and Procedures are available in each administrative office to all personnel and are on the SWSD website at [SWSD Board Policies](#)

It is important that each employee is aware of the policies and procedures related to his/her position. The information in this Handbook is subject to change and changes in district policies may supersede, modify or eliminate the information summarized in this Handbook. Staff input regarding the content of this manual is appreciated and updates will be made as needed.

Our primary business is the education of our youth, and everything we do should be directed toward providing students with the best possible learning environment.

Our District:

The South Whidbey School District serves the communities located on the south end of Whidbey Island in Washington State. The district is 60 square miles in size and serves approximately 1,268 FTE students on three campuses. The K-4 graders are in the South Whidbey Elementary North Campus. The 5-6 grades are located in the South Whidbey Elementary South Campus. Grades 7-12 are located in the South Whidbey Secondary Campus (known as South Whidbey High School). South Whidbey provides choices in education. We have a South Whidbey Academy (SWA) choice program. The K-6 SWA program is located at the South Whidbey Elementary South Campus. The 9-12 SWA program is located in the South Whidbey Secondary Campus. We employ roughly 144 FTE and 177 (head count) staff.

Our Vision:

Every South Whidbey School District Student is a lifelong learner who is multi-culturally engaged, literate, and an active community member able to meet the challenges of our global society.

Our Mission:

In collaboration with our community, every student will be supported to be a resilient, innovative, compassionate, and productive graduate prepared for a diverse and dynamic world.

Our Goals:

- 1) Our Schools will be welcoming, safe and supportive places with consistent school wide expectations where all are respected.**
- 2) Our students will demonstrate growth toward mastery in all content areas.**
- 3) Our students will graduate ready for a future they choose.**

The Board of Directors

The Board of Directors of the district is composed of five district citizens elected by district voters for 4-year terms and one student representative. One student representative is selected each year to serve a one-year term.

One of the Board's duties is to approve all new permanent employees before their employment is considered official.

The Board generally holds meetings at 6:30 pm on the second and fourth Wednesdays of each month in the South Whidbey Elementary School Community Room, 5380 Maxwellton Road, Langley. The full meeting schedule, agendas, meeting packets, and minutes can be found on the district website at [Board Meetings & Minutes](#)

Business meetings are open to the public except in certain circumstances when the Board is allowed to meet in private. The law permits holding closed Executive Sessions or meetings for discussion of personnel, confidential student matters, collective bargaining, real estate, and legal issues.

Expectations

The District expects its employees to produce quality work, maintain confidentiality, work efficiently, and exhibit a professional and courteous attitude toward other employees, parents, and students. The District expects employees to comply with all applicable Board policies, work rules, job descriptions, terms of this Handbook, legal obligations, and [State of Washington Code of Professional Conduct Chapter 181-87 WAC](#).

EMPLOYMENT

Background Check and Fingerprint Requirements

In June of 1992 a Washington State law was passed that requires any person hired by a school district who has regularly scheduled unsupervised access to children to be fingerprinted for a State and National background check. Since all school district employees have the potential to have access to children, all new employees must be fingerprinted. An employee may be exempt from this requirement only if they have been fingerprinted for a Washington State school district within the last two years and those prints are accessible from OSPI. A Washington State Patrol check will also be conducted.

Board Policy 5005

Certification & Licensure

Certificated employees are expected to know the expiration date of their certification and are responsible for meeting the requirements for re-certification in a timely manner. A teaching contract with any person not legally authorized to teach the named subject or at the named school shall be void. All teaching contracts shall terminate if, and when, the authority to teach terminates. If a valid current teaching license for their teaching position cannot be validated by the district on OSPI **E-Certification** system before the first day of school requiring student contact, the teacher may be released from employment by the School Board.

Each employee who is required to be licensed must provide the District with a copy of the current license to be maintained in their personnel file.

Collective Bargaining Agreements and Groups

For those employees represented by a bargaining unit, work activities are subject to a collective bargaining agreement between the district and an employee organization. Administration establishes the work guidelines for those employees not represented by a bargaining unit. Employees receive a copy of the appropriate negotiated agreement or guidelines upon hire. These documents should be reviewed carefully. Additionally, all collective bargaining agreements are available on the district website at <http://www.sw.wednet.edu/EmployeeResources>

The majority of employees of South Whidbey School District fall within three (3) collective bargaining groups:

South Whidbey Education Association (SWEA, part of Washington Education Association)

This association represents all non-supervisory certificated employees such as teachers, certificated school nurses, counselors, psychologists, and other certificated specialists. The SWEA Representatives bargain with respect to wages, hours and terms and conditions of employment with the District Superintendent and the School Board. All new non-supervisory certificated employees will be contacted for membership. There will be a monthly payroll deduction for union dues.

Public School Employees of Washington (PSE)

This bargaining unit consists of all classified employees in the general job classifications: office personnel, para educators, technicians, non-certificated school nurses/other specialists, and student support. The PSE representatives bargain with respect to wages, hours, and terms and conditions of employment with the District Superintendent and the School Board. All new classified employees will be contacted for membership. There will be a monthly payroll deduction for local membership dues, as well as state union dues.

The South Whidbey School District provides access to many kinds of technology, including a computer network with Internet access. Students, staff, and community members are restricted to activities that promote the instructional mission of the school district. At all times the users of technology are expected to act in a responsible, ethical, and legal manner in compliance with school district policy and state and federal law.

Individual users will be held accountable for their behavior and communication through the school district's computer network. Users must realize the District's Internet, social media and email services are public and not private in nature. The district reserves the right to monitor and access users' Internet and email activities. School employees must sign an agreement to access the Internet and e-mail. Misuse of the technology may result in disciplinary action, revocation of the user's account, or legal action as appropriate.

Only South Whidbey School District email may be used for communication of South Whidbey School District business. Evaluations

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation. The district complies with all collective bargaining requirements regarding evaluations.

[Board Policy 5240](#)

Fair Labor Standards Act

The South Whidbey School District will comply fully with the Fair Labor Standards Act, its regulations, and relevant court decisions. This district will inform employees of the Act through proper posting of information as disseminated by the U.S. Department of Labor. The district will cooperate with all state agencies and maintain compliance. *Reference: Fair Labor Standards Act*

The district complies with all collective bargaining agreements requirements concerning pay. All non-exempt classified employees must be paid for all work permitted and must be paid at regular time, overtime, or compensatory time. The district does not condone overtime without prior written approval of the employee's direct supervisor. If a non-exempt employee's total hours actually worked (leave time and holiday time excluded) exceeds forty (40) hours in any established work week, the District is required to compensate through overtime pay or compensatory (comp) time, as outlined below or as defined in the collective bargaining agreement:

- **Overtime Pay**

Overtime provisions under the Fair Labor Standards Act are in effect when a non-exempt classified employee works more than forty (40) hours per week during an established work-week or as specified in collective bargaining agreements. Non-exempt classified employees must be paid no less than time and one-half (1 ½) for all overtime hours worked.

- Compensatory Time

The FLSA 1985 Amendments provide that non-exempt employees of a public agency may, under certain conditions, receive comp time in lieu of overtime pay. Any comp time must be given at a rate of not less than one and one-half (1 ½) hours for each hour of employment for which overtime compensation is required. The employee has the privilege of requesting compensatory time, but it cannot be required or mandated by a supervisor.

First Aid CPR Certifications

Certain classifications are required by the District to have current First Aid and CPR certification as defined in their job description or job posting. It is the employee’s responsibility to track their certification expiration date and remain current at all times. A copy of their valid First Aid/CPR card must be submitted to Human Resources.

The following staff members are required to hold a valid First Aid/CPR certification:

Athletic Trainers	Principals
Coaches, Paid and Volunteer	Teachers of Career & Tech Education
Custodians	School Bus Drivers, Type II drivers
Building Secretaries	Nurses
Maintenance	Para Educators
Mechanics	Others deemed appropriate by the superintendent

Forms

There are a number of forms available on our website at https://www.sw.wednet.edu/staff/staff_forms under Staff Resources. The majority of forms are in a pdf format and are fillable. New forms are being added regularly. Building offices have hard copies of all required forms.

Job Duties and Responsibilities

Job duties will be outlined on the appropriate Job Description. Employees may be asked by their immediate supervisor to conduct work duties that may not be listed on their written job description. No employee is allowed to change or adjust their work duties without authorization from their immediate supervisor.

Mandatory Trainings

The South Whidbey School District requires all staff to complete mandatory courses on an annual basis in the effort to keep our staff, students and school environment safe and conducive to learning. Additionally, the ongoing training keeps the District in compliance with state and/or federal laws. The District utilizes the **SafeSchools** web based program to deliver the mandatory trainings.

All new-hires are assigned mandatory training using: <https://sw-wa.safeschools.com/login>. During your initial meeting with Human Resources Department, you’ll be informed of the trainings required for your position. All assigned training must be completed within 60 days of assignment.

Additional trainings may be covered in your building/site staff meeting or through **SafeSchools**.

Non-Discrimination

Non-Discrimination is very important to us. The District will provide equal employment opportunity and treatment for all applicants and staff in recruitment, hiring, retention, assignment, transfer, promotion and training.

[Board Policy 5010](#)

Personnel Files

The District shall organize, compile and maintain personnel records and files for each staff member of the District. A certificated or classified staff member shall be permitted, during normal District Office business hours, to review the contents of his/her personnel file in the presence of an authorized staff member per applicable collective bargaining agreement.

[Board Policy 5260](#)

COMPENSATION AND BENEFITS

COBRA

Federal law, the Consolidated Omnibus Budget Reconciliation Act (COBRA), gives employees and their qualified beneficiaries the opportunity to continue their existing health (medical, dental, and vision) insurance coverage under the District's health plan for a period of time after the occurrence of a "qualifying event" which otherwise would result in the loss of coverage. Some common qualifying events are the termination of employment (whether by resignation, layoff, discharge or even death); a substantial reduction in an employee's hours; an extended non-FMLA leave of absence; or legal separation or divorce of the employee and his/her spouse.

When such a qualifying event occurs, the district will notify the employee of the right to continue health insurance coverage under COBRA, as well as the time limits and triggering events, which are applicable in order to continue coverage. To continue coverage, the employee (or beneficiary) must timely elect to exercise their COBRA rights and must timely pay the total premiums required for coverage (including their own share and the district's share).

Family and Medical Leave Act (FMLA)

The South Whidbey School District recognizes that employees may, on occasion, need extended leave in order to care for themselves or for an immediate family member. Therefore, the District shall provide family and medical leave for all eligible employees pursuant to the Family and Medical Leave Act of 1993 (FMLA).

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

Basic Leave Entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or childbirth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition;
or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements. Eligible employees with a spouse, son, daughter, or parent on active military duty and deployed to a foreign country may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. An eligible employee under

this provision is the spouse, son, daughter, parent, or next of kin of the covered service member. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. It also includes a family member who is a veteran with an illness or injury that occurs in the line of duty while on active duty and manifests itself before or after the service member became a veteran. The veteran must have been on active duty during the five years preceding the need for treatment, recuperation, or therapy.

Benefits and Protections. During FML, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FML, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FML cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements. Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave. Employees may choose or employers may require use of accrued paid leave while taking FML. In order to use paid leave for FML, employees must comply with the district's normal paid leave policies.

Employee Responsibilities. Employees must provide 30 days advance notice of the need to take FML when the need is foreseeable. When 30 days of notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal calling procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave.

Employees also must inform the employer if the requested leave is for a reason for which FML was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities. Covered employers must inform employees requesting leave whether they are eligible under the FMLA. If they are eligible, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FML and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FML, the employer must notify the employee.

Unlawful Acts by Employers. The FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right protected under the FMLA; discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FMLA does not affect any Federal or State law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

Local Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in a rolling 12-month period measured backward from the date an employee uses FML.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. A husband and wife who are both employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Request for FML. When the need for FML is foreseeable, employees must provide 30-day advance notice to the district. When the need for leave is not foreseeable, employees must contact the Payroll Department as soon as possible. Employees may be required to provide the following:

- Medical certification from a qualified health care provider supporting the need for leave due to a serious health condition affecting the employee or an immediate family member
- Second or third medical opinions and periodic recertification of the need for leave
- Periodic reports during the leave regarding the employee's status and intent to return to work
- Medical certification from a qualified health care provider at the conclusion of leave of an employee's ability to return to work

If employees miss time away from work, they can use any accrued sick leave that they have on record. The Department of Labor and Industries will compensate a percentage of employees' time-loss starting after 3 days of absence.

ATTENDANCE, LEAVE, & ABSENCES

Attendance

Regular attendance is an essential function of employment in the district. The District expects employees to make every effort to be present and prepared for work. Employees are expected to adhere to their assigned schedule. In order for the schools and departments to operate effectively, employees are expected to perform all assigned duties and work all scheduled hours during each designated workday, unless the employee has received approved leave. Breaks and meal periods may only be taken during times designated by the employee's principal or supervisor and as further specified in other parts of this Handbook. Any deviation from assigned hours must have prior written approval from the employee's principal or supervisor.

Employees who are unable to report to work shall report his/her absence using the current electronic sub calling system (Frontline Absence Management (FAM)) and/or follow their individual building protocol for absence reporting prior to the start of the school day. Any time spent not working during an employee's scheduled day must be accounted for in FAM or recorded on a *Monthly Time Sheet* using the appropriate reasons. The District will monitor attendance and absence patterns. Theft of time and/or improper modification of time worked records will be investigated and will result in disciplinary action up to and including termination. Failure to notify the District of an absence and failure to report to work on such day could result in disciplinary action up to and including termination. Failure to return to work the day following the expiration of an authorized leave of absence may result in termination of employment.

Absences-Pre-Arranged Greater than One Day

For a preplanned absence which is greater than one school day, the employee must complete and submit a *Pre-Arranged Request for Leave Form* to their immediate supervisor for approval prior to the planned absence. Any pre-arranged absences may be posted by the employee through the Frontline Absence Management program upon approval by their principal/supervisor. To use Personal Leave SWEA members will follow the process as defined in the bargaining agreement Article V.3.

The Superintendent's approval is required for any unpaid leave or Bereavement leave that exceeds collective bargaining language. A detailed explanation must accompany any unpaid leave request.

The *Pre-Arranged Request for Leave Form* is available online, [Staff Resources](#), or the main office.

Leave- Sick & Personal

Employees are front-loaded 12 days of sick leave per fiscal year provided they work their first scheduled day. Sick leave will be prorated if the employee starts after the beginning of the school year. Each employee's sick leave shall accumulate to the legal limit and may be cashed out upon leaving the district in accordance with state guidelines. Accrued sick leave can transfer at resignation to any Washington State Public School within the state guidelines. A leave sharing program is available in accordance with law.

Personal leave is governed by collective bargaining agreements of PSE, SEIU & SWEA.

Substitutes

Certificated and Classified PSE Staff

The Frontline Absence Management (FAM) system allows staff members to report absences, notify and dispatch substitutes, and monitor information from any location at any time through the internet. Each staff member has the ability to select the names of requested substitutes, which are given priority over the general pool. Substitute teachers and PSE classified substitutes are able to view open assignments and be more prepared for the jobs they accept.

Frontline Absence Management (FAM)

All certificated (SWEA and Principals) and PSE members use the web-based Substitute Online program for entering their absences and requesting a substitute. All absences, regardless if a substitute is needed, must be entered in FAM. Pre-approval is needed when taking personal leave, vacation, emergency leave, and jury duty. Questions and training requests regarding FAM should be directed to their Site Administrator (usually the head secretary) or Human Resources.

SEIU Staff

SEIU members should use the established procedure for the scheduling of substitutes. Contact your building principal or supervisor for additional information.

Vacation for Classified Staff

All classified staff need to submit a *Pre-Arranged Request for Leave Form* to their direct supervisor to use vacation time.

PSE Members: Employees who are members of the PSE bargaining group have collective bargaining language which governs the accrual and distribution of vacation pay. The following holds true for most categories of employees:

- Employees that work only during the course of the normal school calendar (180 days) have the option to take vacation time during the school year or receive vacation pay rather than time off work. This vacation pay will be paid in one lump sum in the June paycheck.
- Employees that work 260 days per year will receive paid vacation time. Accrued unused vacation time will be paid at employment termination in accordance to state guidelines. See the PSE agreement for vacation accrual schedule.
- Employees shall obtain prior approval by their immediate supervisor before using accrued vacation time.

SEIU Members: Employees who are members of the SEIU bargaining group have collective bargaining language which governs the accrual and distribution of vacation pay. The following holds true for most categories of employees:

- Employees that work only during the course of the normal school calendar (180 days) will receive their vacation pay in one lump sum in the June paycheck.
- Employees that work 260 days per year will receive paid vacation time. Accrued unused vacation time will be paid at employment termination in accordance to state guidelines. See the SEIU agreement for vacation accrual schedule.

Non-Represented staff: District office staff is provided with the Non-Represented Employee Group Benefit Summary defining their benefits.

Weather Related Late Start/School Closure Days

Late Start

In the case of school late start, each employee needs to assess safety related issues such as road conditions, traffic, and weather then plan their travel accordingly. Given the weather related challenges, some/occasional late arrivals are inevitable. Staff may be asked to cover duties of staff arriving late if necessary. On late start days:

- **Certificated staff** are expected to report to work at their usual time if it can be done safely. If unable to report on time for safety reasons, contact your building administrator/supervisor. Employees who are not able to report to work because of inclement weather may use emergency leave, which draws from the employee's sick leave.
- **Classified staff** (with the exception of Bus Drivers) are expected to report at their usual time. If unable to report for safety reasons, contact your supervisor. Employees who are not able to report to work because of inclement weather may use emergency leave, which draws from the employee's sick leave. Bus Drivers are expected to report as directed.

School Cancelled

In the case of school closure, employees whose work days are tied to student days are not expected to report. This work day will become a "make up day" at the end of the school year in June. Employees in this category include teachers, certificated specialists, and 180-Day classified staff (i.e. para-educators, food service, bus drivers, building secretaries).

All 260-Day employees are expected to report to work on school closure days. Every effort should be made to report to work as close to your normally scheduled work time as safety permits. Employees unable to report to work due to inclement weather may use emergency (sick) leave. If there is a delayed start, the following schedule changes will apply:

- No out-of-district transportation
- No skills center

[SWSD Emergency Information](#) and the local news stations are the best sources for accurate and up-to-the-minute information. Staff will receive a ROBO call and/or email message at around 5:30 or 6:00 a.m. for closures and delays to their primary phone number and district email address.

Most importantly, please be safe!

SEXUAL HARASSMENT

Sexual harassment is unwelcome behavior or communication that is sexual in nature when:

- A student or employee is led to believe that he or she must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision, or
- The conduct substantially interferes with a student's educational performance, or creates an intimidating or hostile educational or employment environment.

Examples of Sexual Harassment:

- Pressuring a person for sexual favors
- Unwelcome touching of a sexual nature
- Writing graffiti of a sexual nature
- Distributing sexually explicit texts, e-mails, or pictures
- Making sexual jokes, rumors, or suggestive remarks
- Physical violence, including rape and sexual assault

You can report sexual harassment to any school staff member or to the district's Title IX Officer, who is listed above. You also have the right to file a complaint (see below). COMPLAINT OPTIONS: DISCRIMINATION AND SEXUAL HARASSMENT

If you believe that you or your child have experienced unlawful discrimination, discriminatory harassment, or sexual harassment at school, you have the right to file a complaint.

Before filing a complaint, you can discuss your concerns with your child's principal or with the school district's Section 504 Coordinator, Title IX Officer, or Civil Rights Coordinator, who are listed above. This is often the fastest way to revolve your concerns.

Complaint to the School District

Step 1. Write Our Your Complaint

In most cases, complaints must be filed within one year from the date of the incident or conduct that is the subject of the complaint. A complaint must be in writing. Be sure to describe the conduct or incident, explain why you believe discrimination, discriminatory harassment, or sexual harassment has taken place, and describe

what actions you believe the district should take to resolve the problem. Send your written complaint—by mail, fax, email, or hand delivery—to the district superintendent or civil rights compliance coordinator.

Step 2: School District Investigates Your Complaint

Once the district receives your written complaint, the coordinator will give you a copy of the complaint procedure and make sure a prompt and thorough investigation takes place. The superintendent or designee will respond to you in writing within 30 calendar days—unless you agree on a different time period. If your complaint involves exceptional circumstances that demand a lengthier investigation, the district will notify you in writing to explain why staff need a time extension and the new date for their written response.

Step 3: School District Responds to Your Complaint

In its written response, the district will include a summary of the results of the investigation, a determination of whether or not the district failed to comply with civil rights laws, notification that you can appeal this determination, and any measures necessary to bring the district into compliance with civil rights laws. Corrective measures will be put into effect within 30 calendar days after this written response—unless you agree to a different time period.

Appeal to the School District

If you disagree with the school district’s decision, you may appeal to the school district’s board of directors. You must file a notice of appeal in writing to the secretary of the school board within 10 calendar days after you received the school district’s response to your complaint. The school board will schedule a hearing within 20 calendar days after they received your appeal, unless you agree on a different timeline. The school board will send you a written decision within 30 calendar days after the district received your notice of appeal. The school board’s decision will include information about how to file a complaint with the Office of Superintendent of Public Instruction (OSPI).

Complaint to OSPI

If you do not agree with the school district’s appeal decision, state law provides the option to file a formal complaint with the Office of Superintendent of Public Instruction (OSPI). This is a separate complaint process that can take place if one of these two conditions has occurred: (1) you have completed the district’s complaint and appeal process, or (2) the district has not followed the complaint and appeal process correctly.

You have 20 calendar days to file a complaint to OSPI from the day you receive the decision on your appeal. You can send your written complaint to the Equity and Civil Rights Office at OSPI:

Weingarten Rights: Employee right to union representation

“If this discussion could in any way lead to my being disciplined or terminated, or affect my personal working conditions, I respectfully request that my union representative, officer or steward be present at the meeting. Without representation, I will attend the meeting and follow lawful orders, but I choose not to answer any questions.”

Weingarten Rights

Under the Supreme Court’s Weingarten decision, when an interview for investigation occurs, the following rules apply:

RULE 1: The employee must make a clear request for union representation before or during the interview. The employee cannot be punished for making this request.

RULE 2: After the employee makes the request, the employer must choose from among three options.

The Employer must either:

- Grant the request and delay questioning until the union representative arrives and has a chance to consult privately with the employee, or
- Deny the request and end the interview immediately; or
- Give the employee a choice of (1) having the interview without representation or (2) ending the interview.

RULE 3: If the employer denies the request for union representation, and continues to ask questions, it commits an unfair labor practice and the employee has a right to refuse to answer. The employer may not discipline the employee for such a refusal.

Weingarten Rights: Employee right to union representation

“If this discussion could in any way lead to my being disciplined or terminated, or affect my personal working conditions, I respectfully request that my union representative, officer or steward be present at the meeting. Without representation, I will attend the meeting and follow lawful orders, but I choose not to answer any questions.”

- If an employee has reasonable belief that discipline or other adverse consequences may result from what he or she says, the employee has the right to request union representation.
- Management is not required to inform the employee of his/her Weingarten Rights.
- It is the employee’s responsibility to know and request.

WHAT DOES “JUST CAUSE” MEAN?

The concept of “just cause” requires that there be fundamental fairness in decisions related to the discipline and discharge of employees. Arbitrators have articulated many definitions and explanations of “just cause” over the years, including, but not limited to the following tests:

1. Did the employer give the employee forewarning or foreknowledge of the possible or probable disciplinary consequences of the employee’s conduct?
2. Was the employer’s rule or managerial order reasonably related to the orderly, efficient, and safe operation of the business?
3. Did the employer, before administering discipline to an employee, make an effort to discover whether the employee did in fact violate or disobey a rule or order of management?
4. Was the employer’s investigation conducted fairly and objectively?
5. At the investigation, did the “judge” obtain substantial evidence or proof that the employee was guilty as charged?
6. Has the employer applied its rules, orders, and penalties evenhandedly and without discrimination to all employees?
7. Was the degree to discipline administered by the employer in a particular case reasonably related to (a) the seriousness of the employee’s proven offense and (b) the record of the employee in his or her service with the employer?
